Course Content and Format

This training camp has been developed to aim at our Junior, Novice and beginner mushers, but is open to all that are interested and want to participate.

EACH JUNIOR MUSER/S (U16) MUST BE ACCOMPANIED BY AN ADULT!

It will be based around training, conditioning and expectations versus results from your dogs and yourselves.

The format is based around being away for a race, therefore you will be expected to drop dogs and care for them every three hours.

The camp will include:

- Lessons regarding basic dog care, nutrition and racing needs.
- Developing skills regarding identifying and avoiding injury.
- Lessons on harness fitting and harnessing up correctly.
- Discussions on race equipment, race rules and how and what a race requires to run.
- Video sessions to highlight and reinforce the skills above.
- Hopefully, a fun race at the end of the weekend.
- Weather permitting - outside activities.

Junior Development Scheme 2019

We would like, if possible, all Juniors who wish to be part of the programme for 2019, to stay in the lodge, accompanied by an adult. This is to encourage interaction between all juniors participating in the programme.

We would like all juniors that entered log books and essays in the Junior Development Programme for 2018 to be there for a short prize-giving at 08:00 on Saturday 11th May.

We will hopefully be signing juniors up for the 2018 programme on the Sunday morning before the camp closes. Those juniors wishing to enrol should attend please, however if not possible please contact Steve - 0272140156.
