Race Information

Classes offered contribute toward both the IFSS accreditation and the NZFSS points system.

IFSS rules apply.

This is a seeded race to give participants the best opportunity to gaining points while participating in the IFSS world cup program.

You don't need to be registered with IFSS (DID) to compete in the event, but only registered teams earn points towards the World cup program. Similarly, only NZFSS registered teams qualify for national points. A minimum of 3 entries is needed to open any class. Mushers will be notified if a class is not available and alternative classes will be suggested.

Finally... some important points!

- Good Sportsmanship should always prevail
- As always, the Race Judge/Marshall's decisions are final
- Safety helmets are compulsory for all classes, except Canicross
- It is the responsibility of the musher to ensure all equipment meets IFSS Regulations. For example, working front and rear brakes on all scooters, bikes and rigs. Links will be provided to all information required on our race weekend FB Page
- A Neckline for the 2-dog scooter class is mandatory
- Drivers' meeting is compulsory
- Class changes for sanctioned events, after entries have been accepted, must be accompanied by "just cause" and must be presented to the Race Judge/Marshall before the Musers' Meeting. The Race Judge/Marshall's decision will be final.
- All Accredited/sanctioned classes may only be run if there are three (3) or more entries received by the official closing date. In case of insufficient entries for any given class, mushers who have entered for that class will be contacted regarding alternative options.
- Dogs must be kept on a lead at all times and are not allowed into any buildings at the race venue, Hydrabad accommodation or hall.
- All dug holes in the parking lot or accommodation venue are to be filled in, and all dog left-overs disposed of appropriately; rubbish bags/bins will be available, and poo bags will be in your Musher Pack
- **All dogs must have been vaccinated and be free of infectious disease. Please ensure that vaccination certificates for all dogs are brought to the race – these will be spot checked by the race judge. Dogs that are not fully vaccinated will not be eligible to race.**
- Cancellations: Refunds are at the discretion of the RGO. Please refer to the RR race weekend FB page for further information.
- Late entries are at the discretion of the Race Secretary
- No Smoking, no Vaping, no Alcohol and no Open Fires! Please respect the Forest and appreciate that any infringements will jeopardize our future use of this fabulous venue
