General Information

COVID-19 considerations

1. **If you have cold or flu like symptoms, please do not attend!**
If you are unable to attend because of this, or because you are self-isolating, a full refund will be provided. Please provide details to ssdaracesec@gmail.com
2. **Sneeze and cough into your elbow!**
3. **Wash your hands regularly.**
4. **We will be following all current Ministry of Health Guidelines relevant to the COVID-19 Alert level at time of the event. Other measures may need to be implemented to meet those requirements.**

General Trail Description

All the racing during the Fosbender Fender Bender will be run on loop trails from a common staging area, with Start and Finish within 100m of one another.

The running surface in the open areas will generally be cut grass (bit lumpy in places) and bare patches of sand. In the forest section the running surface will be compacted pine needles on a sandy base. The terrain is essentially flat with a few undulating sections over old sand dunes. There are also some negative camber corners on the trail network.

There are sections of the trails that meander through pine forest and as a consequence there are some tight bends, and several places where the tree spacing narrows the trail. The forest sections are relatively short and passing may not be practical everywhere. This applies particularly to the larger teams. A program of trail widening is an ongoing process.

Common sense and good sportsmanship must prevail.

The SSDA Race Committee will confirm all courses prior to the Musers' Meeting taking into consideration track conditions, logging and weather. It should be noted that, even though the area is situated on a well-drained sandy base, during and immediately following heavy rain, there will be standing water along sections of the trails and probably a bit of mud too. There is also a chance of encountering the odd shallow wheel rut - rigs and scooters with a knobby front tyre will be the least affected.

Detailed trail conditions will be available at the compulsory Musers' Meeting.

Team Dog Identification

Microchip numbers for dogs to be provided with entry. These **may** be checked in the start chute, **at the discretion of the RGO**, prior to each heat. Dogs who do not have microchips supplied at entry **may** be marked at gear inspection.

Coffee will be available on Saturday

The trail will be a loop track with the finish at the CaniDen. This event will be run in darkness so adequate lighting is mandatory. The trail will be marked with reflectorised markers.
Start interval: 1 minute.

Sunday 28 August (morning)

7.5km, 6.2km, 5.7km, 4.4km Open Fun Race

Unsanctioned

Canicross (1 or 2 Dog), Scooter (1 or 2 Dog), Bikejor (1 Dog), or Rig (2 - 6 dogs). Choose your distance on the day. All courses will be marked, turnoffs marked with distance options. Checkpoints at four points on the trail. Collect a coloured peg at each checkpoint you pass. 4.4km competitors will collect 1 peg, 5.7km competitors will collect 2 pegs, 6.2km competitors will collect 3 pegs and 7.5km competitors will collect 4 pegs. No need to pre-advise your chosen distance – number of pegs collected will indicate which course you have run. Time penalties will apply for the wrong colour or number of pegs returned (e.g. collecting only the 7.5km course peg without the other 3 pegs). Loop trail with finish at the CaniDen.
Start interval: 1 minute (seeded start)

Buffet Breakfast and Prizegiving (late morning)

To be held at the Cabbage Tree Restaurant.

Please note: all course distances listed are approximate.

Some Important Points

- As always, the Race Marshall's decision is final.
- As a consequence of our Safety Management Plan:
 - Safety helmets are compulsory for all classes, except Canicross.
 - Neckline connecting double lead dogs is mandatory.
- Musher packs will be distributed to all mushers at the compulsory Mushers' Meetings on Friday 27 August.
- Head and tail (flashing or solid red) lights are mandatory for the evening heats for all classes. It is recommended that you have an effective headlight for the morning heats as it can be dark in forested areas of the trails and lighting will help to make the reflectorised markers more visible.
- Class changes for sanctioned events, after entries have been accepted, must be accompanied by "just cause" and must be presented to the Race Marshall before the Mushers' Meeting. The Race Marshall's decision will be final.
- All sanctioned classes may only be run if there are three (3) or more entries received by the official closing date (14 August 2021). If there are insufficient entries for any given class, mushers who have entered for that class will be contacted regarding alternative options.
- Dogs must be kept on a lead at all times and are not allowed into any buildings at the race venue.
- Noise is not a factor - nearest neighbours are a long way off. However, there will be people who want a good night's sleep so please be considerate.
- All holes are to be filled in, and all dog mess disposed of appropriately; rubbish bins will be available.
- All dogs (whether racing or just staying at the Scout Camp) must have been immunised and be free of infectious disease.
- Remember - never bring any dog that may have been exposed to a contagious disease to a race.
- It is the responsibility of the musher to ensure that all the dogs he/she will be racing are appropriately conditioned and in a fit state to complete the race(s), and to monitor the wellbeing of their dogs.
- It is envisaged that a competitor can enter a number of sanctioned events provided they have sufficient dogs and/or the dogs are adequately conditioned for the workload. However, this will be at the competitor's own risk. There is no guarantee that the competitor will have enough time to complete one event and get to the start in time for the next event. There is a risk that a competitor's bib allocation for consecutive events will not allow enough time to make the following start time.
- **Cancellations:** Any entry cancellation received a minimum of 5 days prior to the first event will be eligible for a full refund. Any cancellation received within the 5 days prior to the first event MAY be eligible for a partial refund upon assessment by the SSDA committee after the event (unless due to COVID-19 precautions). Please allow 14 days after the event for any refund to be processed.

Accommodation

As always, accommodation for the mushers is available at the 'dog friendly' Scout Camp at Sandy Point (see attached map for directions). This means that mushers (who stay at the camp) do not have to drive their dogs and their equipment to the race staging point, as the start and finish points for the Foscender Park race course is based adjacent to the Scout Camp!

Dogs must not be taken into any building at the Scout Camp.

You need to provide your own sleeping bag/bedding, towels etc.

The Scout Camp is also suitable for tenting, caravans and motorhomes. Please note that you will still be required to pay the accommodation fee.

The Scout Camp will be open on Friday. A permanent directional sign is on the main board at the corner of Dunns Road and Sandy Point Road, and there is another sign at the turn off to the Scout Camp.

Other accommodation options for mushers who choose not to stay at the Scout Camp include:

- Beach Road Holiday Park ~ 375 Dunns Road ~ 03 213 0400
- Surrey Court Motels ~ 400 Tay Street ~ 03 217 6102
- ASURE Evergreen Motel ~ 217 North Road ~ 03 215 9135

Entry Information

Registration for unsanctioned events will be accepted on the official entry form or on the day. Open Fun Run entries close at 4:30pm on Saturday 28 August, just prior to the Musers' Meeting.

All sanctioned events will be run in accordance with NZFSS rules. NZFSS Sanctioning has been approved for Scooter and Rig classes.

Entries for sanctioned events must be received by **8:00pm, Saturday 14 August 2021** although they may be accepted after this date, with payment of **a \$10.00 late entry fee**.

**Final cut off for all sanctioned event entries is 5:00pm, Saturday 21 August 2021.
Postal entries should be sent in time to arrive by the final cut off.**

**NO ENTRIES FOR THE EVENTS THAT SANCTIONING HAS BEEN APPLIED FOR
WILL BE ACCEPTED AFTER THIS TIME.**

NB: An entry is not deemed to be received until payment of the entry fee is received.

Post entry to:

Helen Brunner
SSDA Race Secretary
40 Walker Street
RD 11
Invercargill 9877

OR email entry form to ssdaracesec@gmail.com

Make payment to SSDA bank account: Westpac 03 1750 0072198 00 (include your name and "FB2021" as references).

Once your entry has been received and payment verified, you will be sent an acknowledgment via email. If you do not receive this within one week, please contact the SSDA Race Secretary at the above email address.

REMINDERS

- Sanctioned classes are being run under NZFSS.
- Class changes for sanctioned events, after entries have been accepted, must be accompanied by "just cause" and must be presented to the Race Marshall before the relevant Musers' Meeting. The Race Marshall's decision will be final.
- Sanctioned classes may only be run if there are three (3) or more entries received by the official closing date (14 August 2021). If there are insufficient entries for any given class, musers who have entered for that class will be contacted regarding alternative options.
